# How to Catch the Easter Bunny

From the *New York Times*  
Bestselling Author and Illustrator  
Adam Wallace & Andy Elkerton

I've been working long and hard  
with all my **peeps** and crew.  
We've made the eggs, and now I'm here  
to bring them all to you!

My real name's a secret.

My friends call me E.B.

My special job means I must hide

*my true identity!*

E.B.

World's  
BEST  
Hopper

An illustration featuring the Easter Bunny's feet and ears. The bunny is white with large, pinkish-red paw prints on its feet. Its ears are long and upright, with a pinkish-red inner lining. The bunny is positioned on a brown, textured surface, possibly a wooden deck or a piece of furniture, which has a row of small, round, metallic-looking studs. The background is a solid light blue. A wooden plank is visible on the right side, with the text "E.B. was here" carved into it.

Yes, I'm the **Easter Bunny**,  
and I'm coming to your home!  
If you have Easter spirit,  
then you just might see me roam!

E.B. was here

This first trap is quite simple,  
just carrots on a plate.  
I'm ***LIGHTNING FAST***! To catch me,  
you'll need some better bait!

A hole that's covered by a rug  
will never cause me strife.

Have you forgotten what I am?

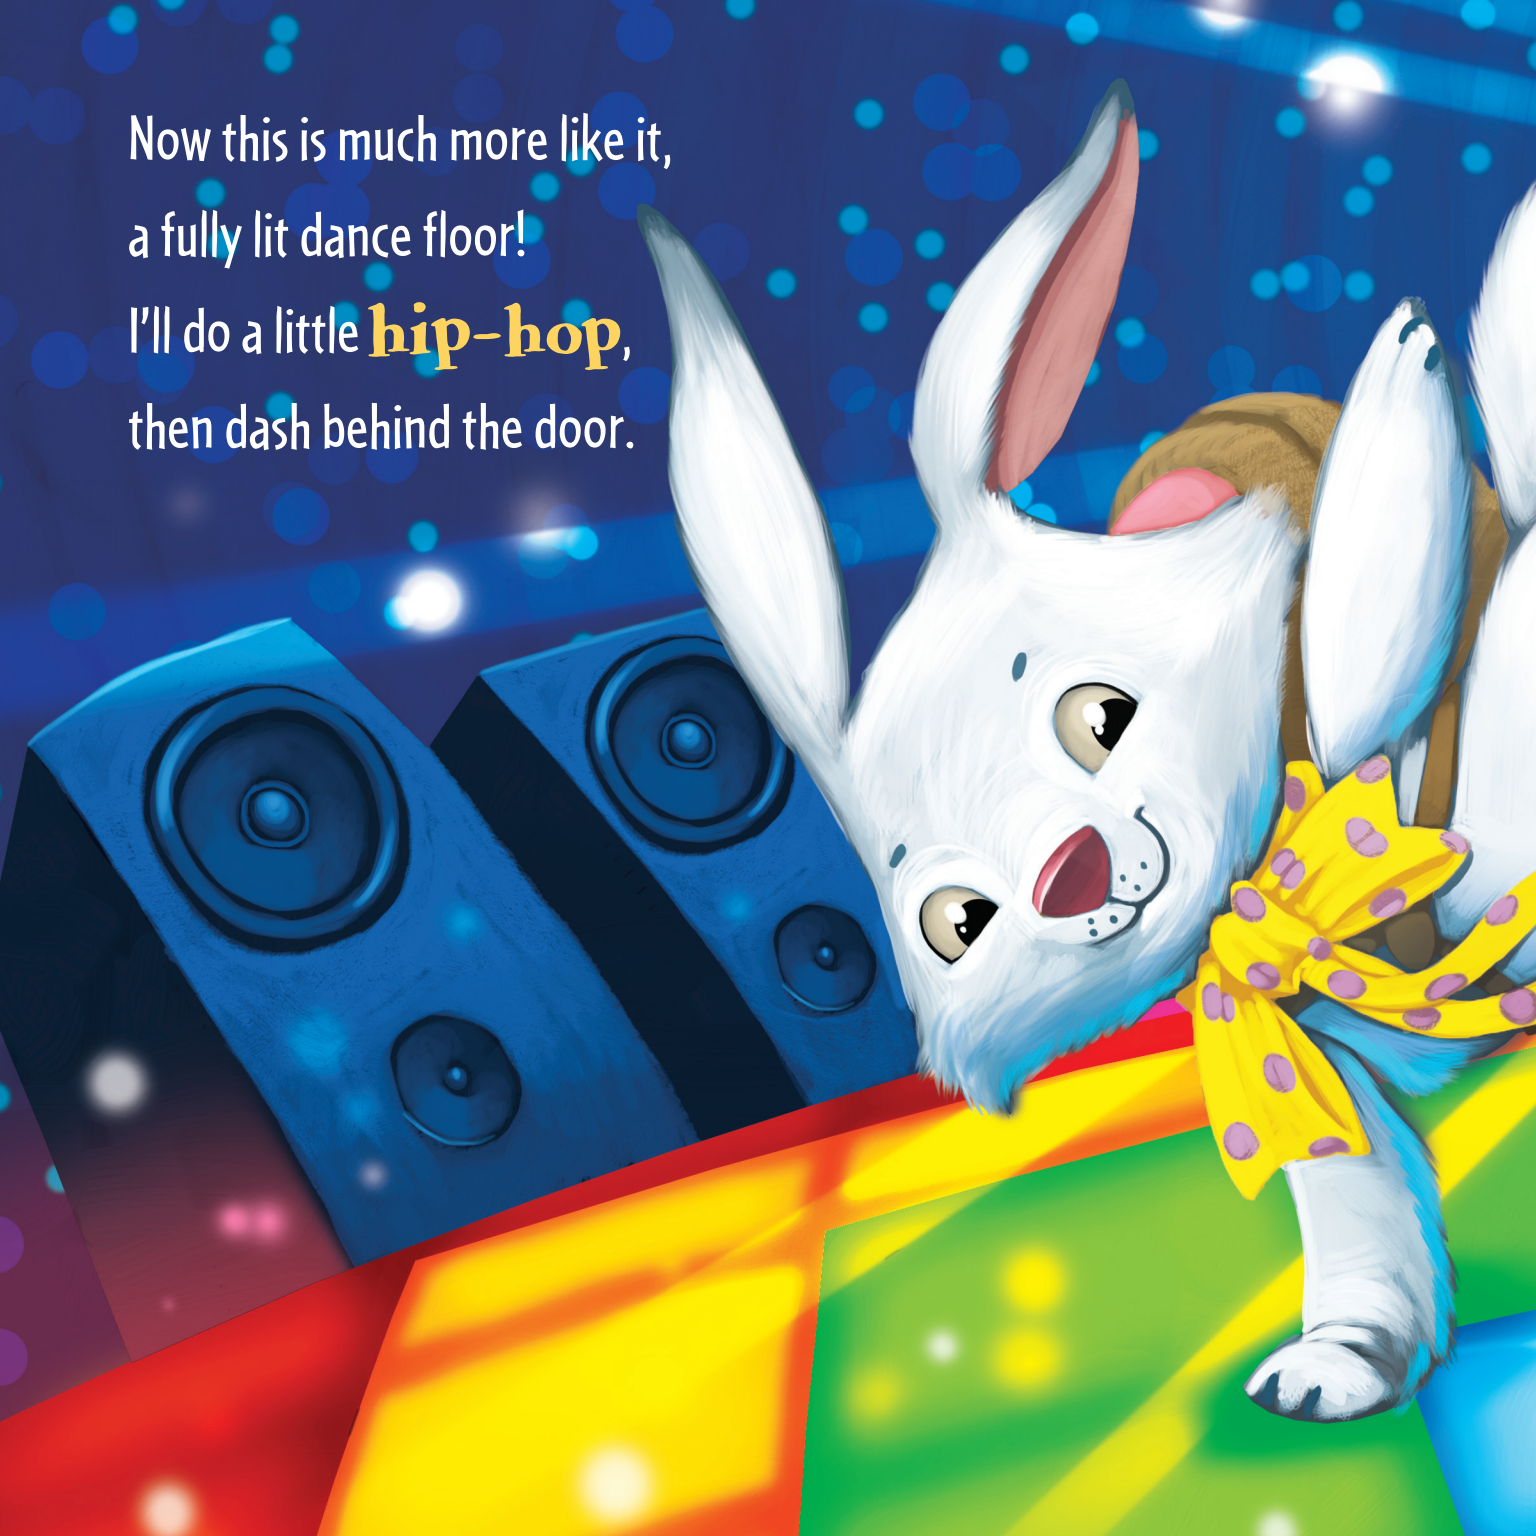

**Burrowing's** my life!

Now this is much more like it,  
a fully lit dance floor!

I'll do a little **hip-hop**,  
then dash behind the door.

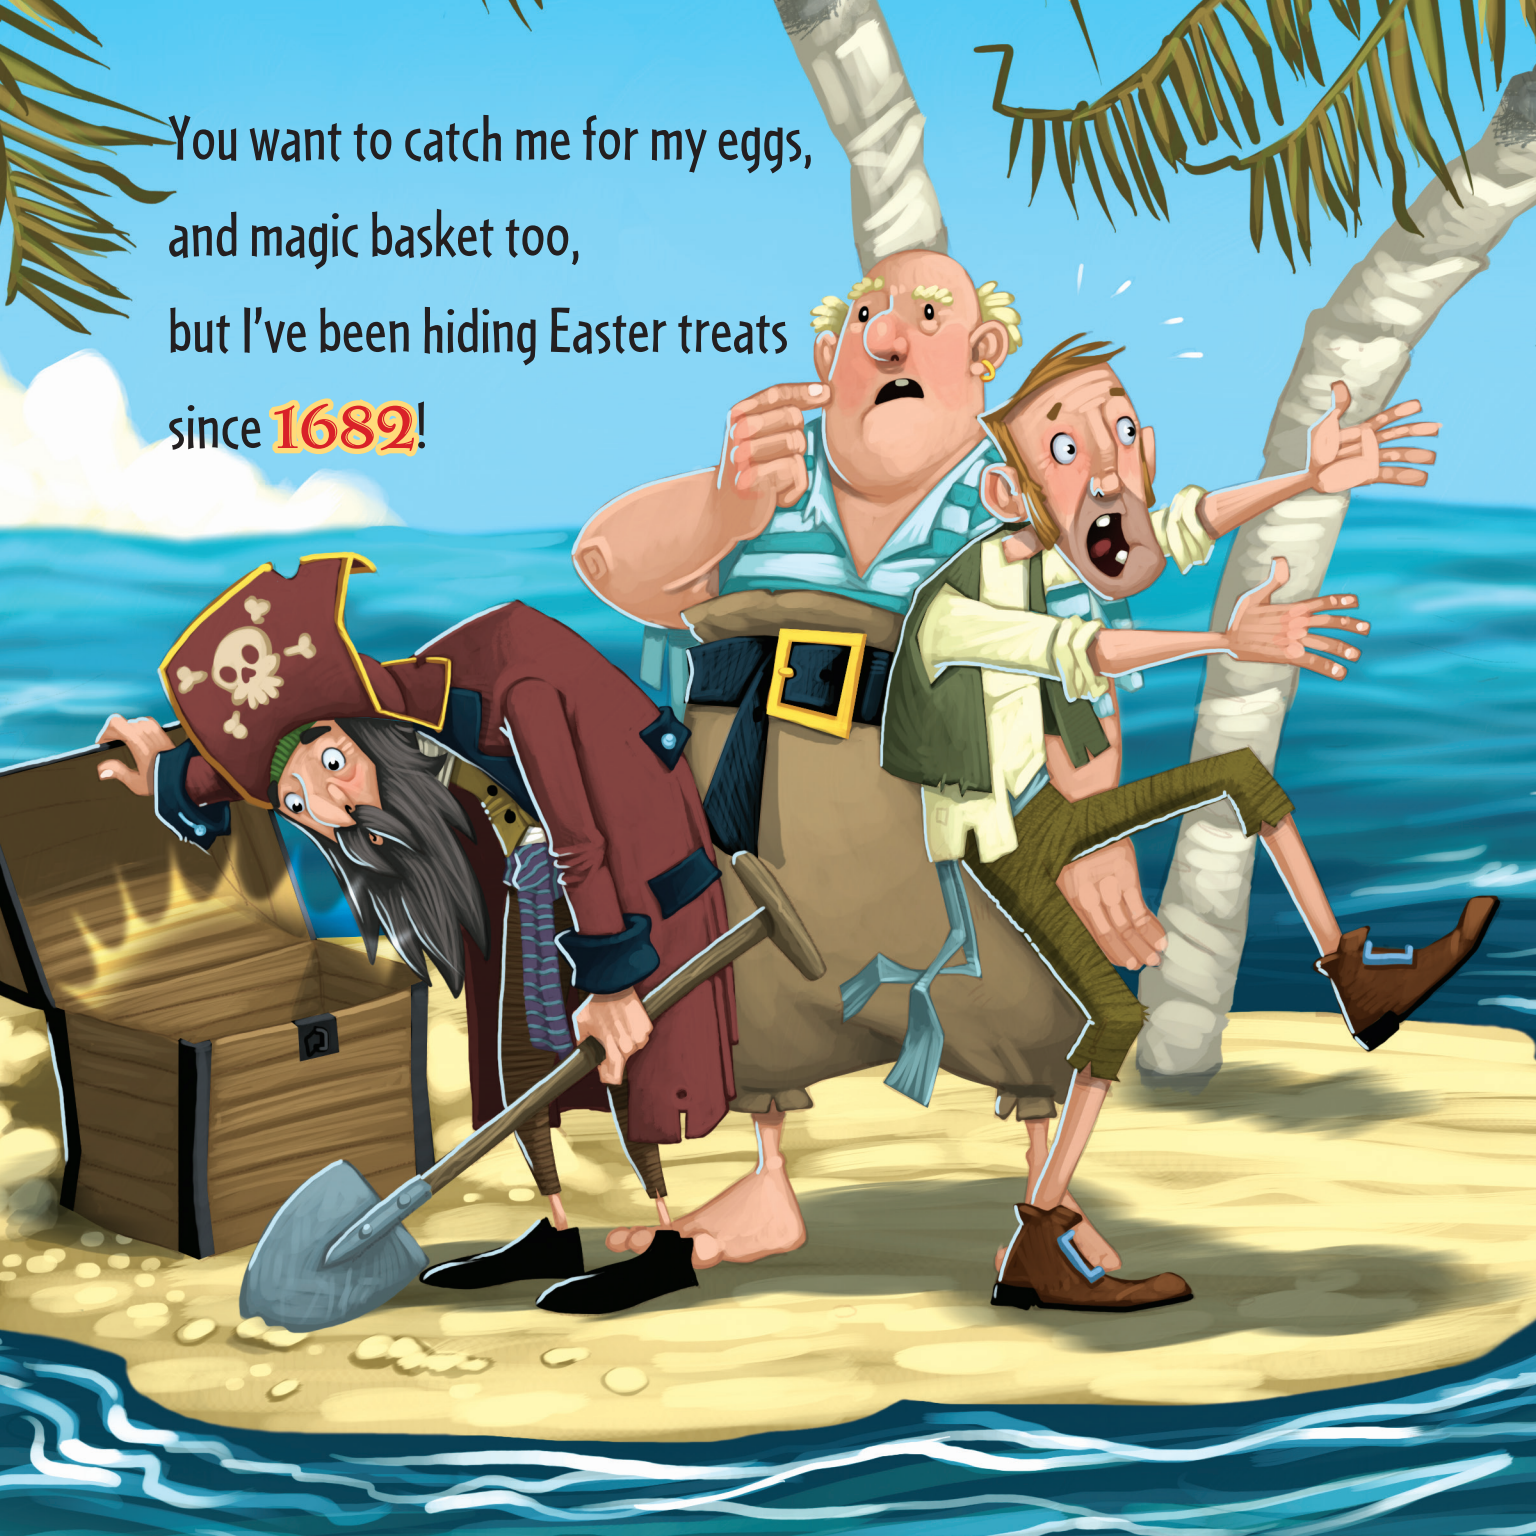

This next trap is quite clever,  
made by brilliant engineers.  
But it's hard to catch a bunny  
who has *SUPERSONIC* ears!

You want to catch me for my eggs,  
and magic basket too,  
but I've been hiding Easter treats  
since **1682!**

This trap nearly gets me.  
But check out all my hops!  
Watch me dodge the flying fish  
and **cherry yogurt pops!**

I switch my size, from two feet tall  
to something small and gray.  
Your Easter spirit is so strong,  
you see me right away!

**DANGER!**

**KEEP  
OUT**

**CAUTION**

**RADIATION  
HAZARD**

I leave so many **EASTER TREATS**,  
no children will be sad.

But when they see that I've escaped,  
they'll all be hopping mad!

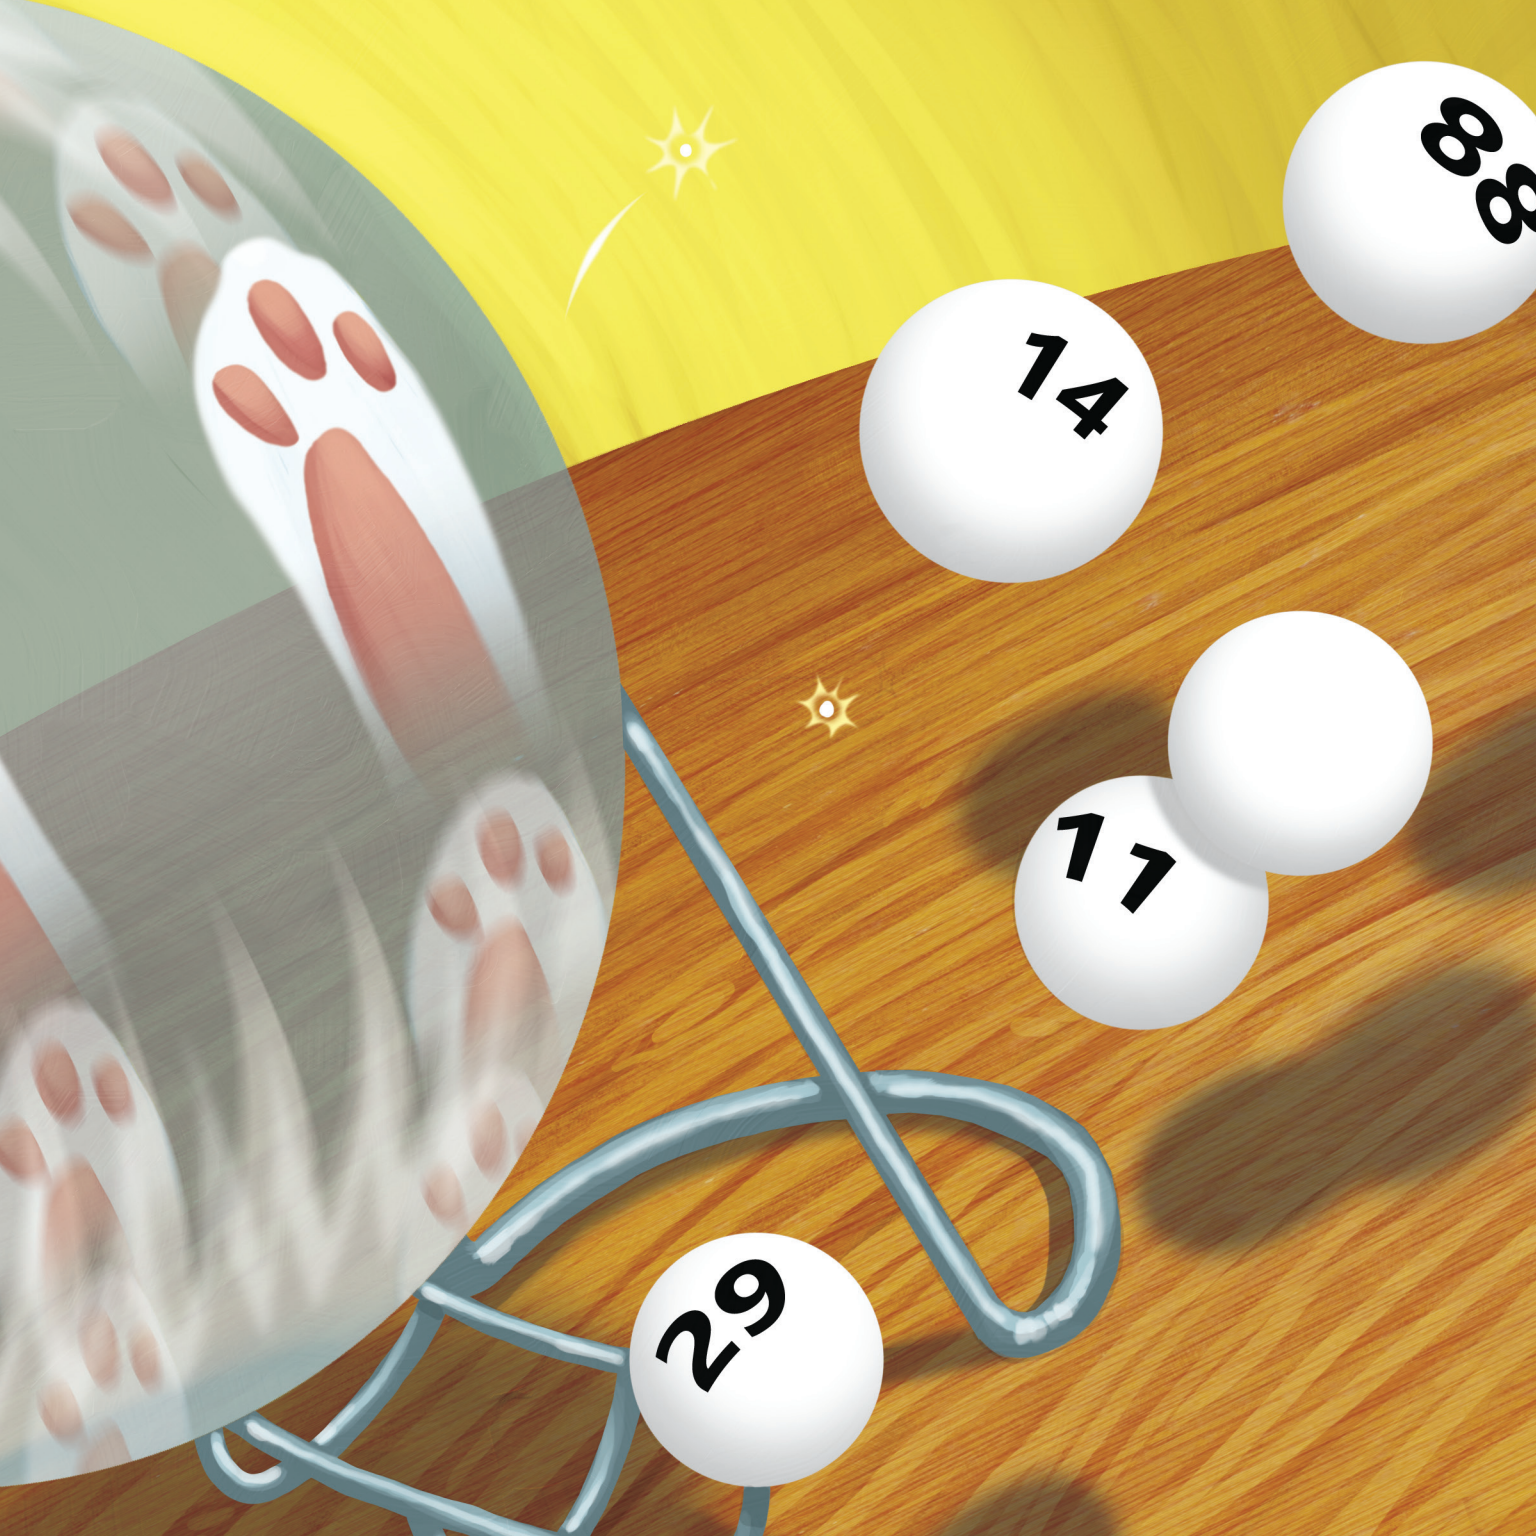

# THE BUNNY TUMBLER 2.0™

sure takes me for a spin!

But I've got lucky rabbit's feet...

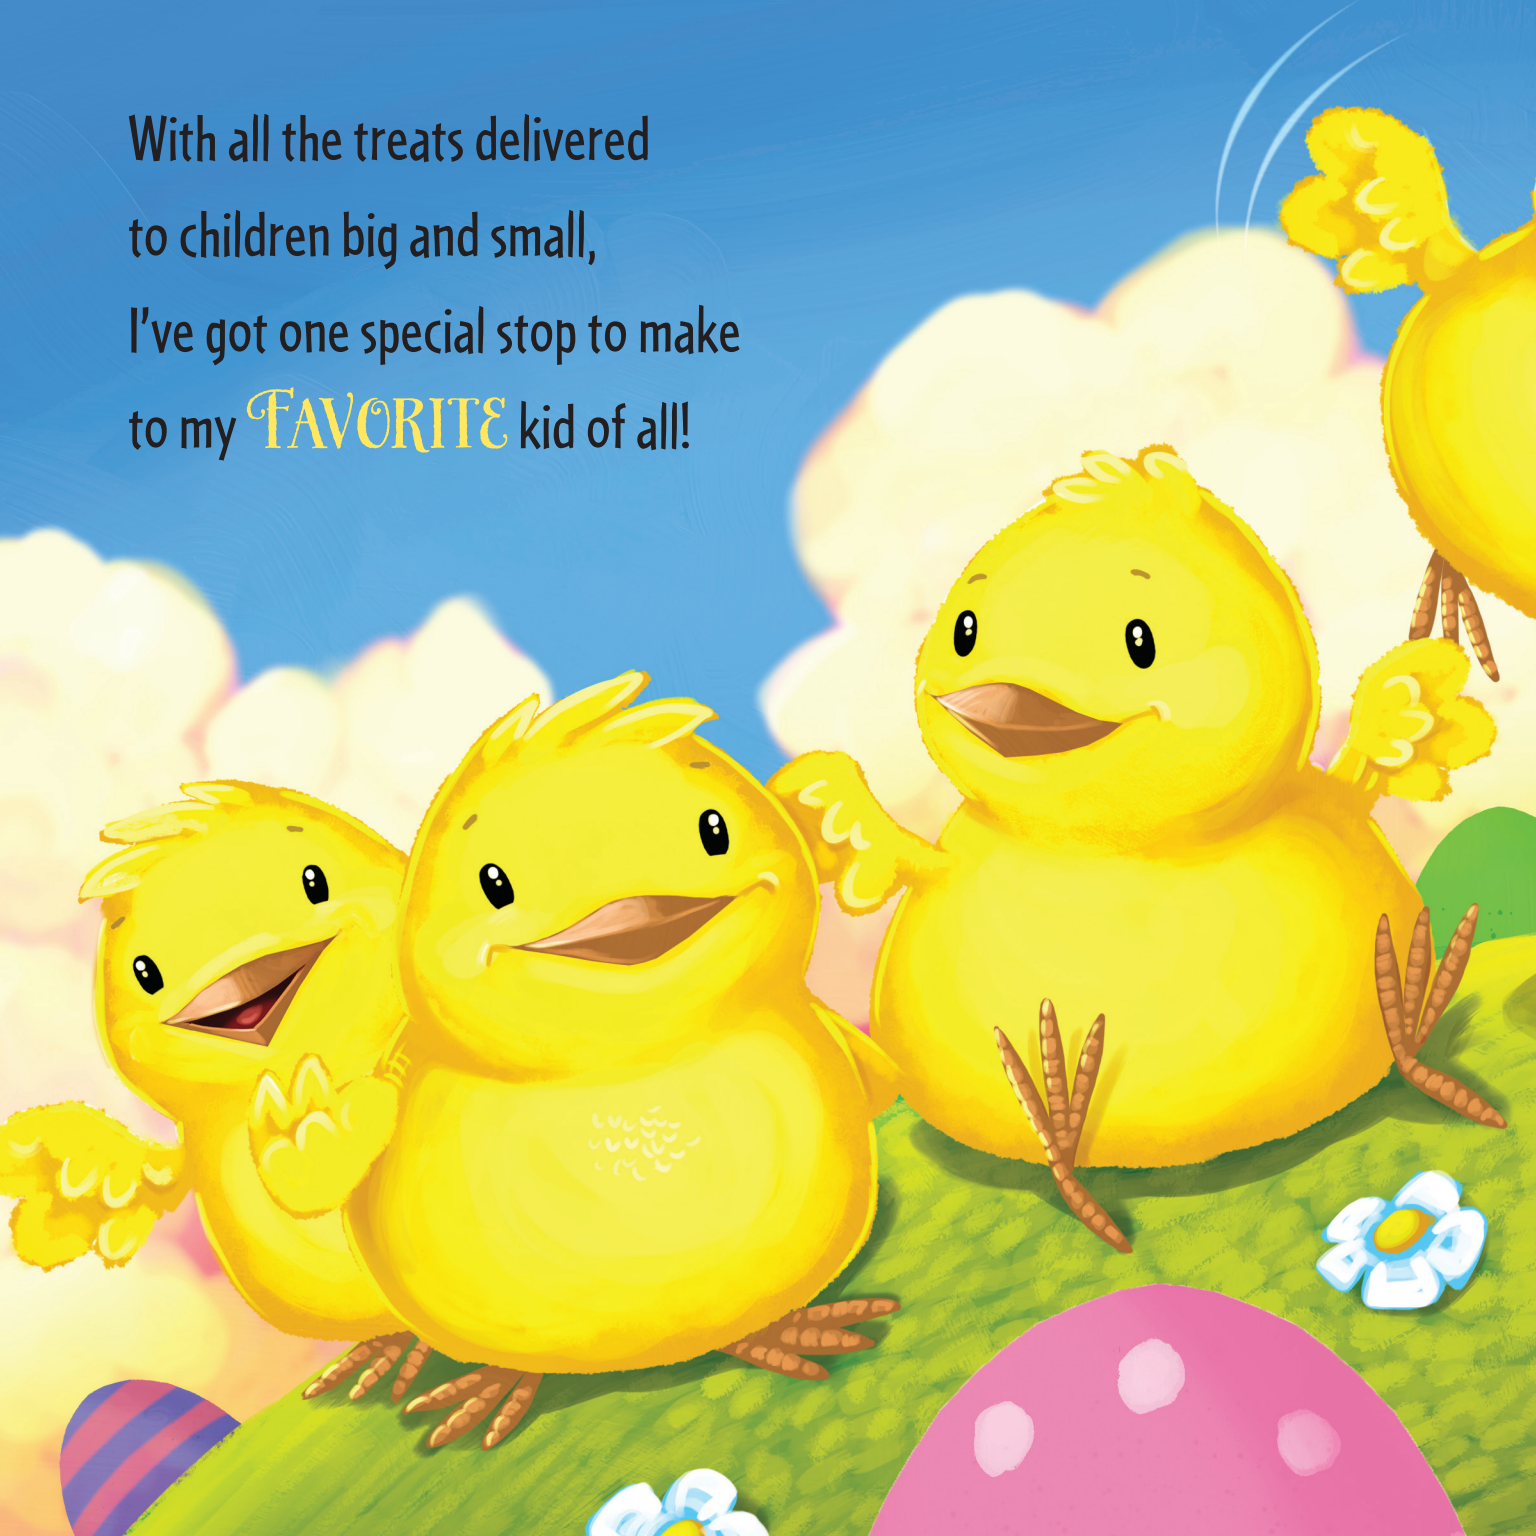

I know I'll always win!

With all the treats delivered  
to children big and small,  
I've got one special stop to make  
to my **FAVORITE** kid of all!

See you next year!

You've been waiting all year long.

Now Easter's here at last!

You can try your best to catch me,  
but you *know* that I'm too fast!
